Dear GASC Parents,

I am so excited to share with you some- details about GASC's BLAST Summer Camp that will take place on July 18-21, 2018 at Rock Eagle in Eatonton, GA!

During BLAST, the student delegates will share a long weekend of leadership games, development, and fun. *Generation Leadership*, a company founded by public speaker and leadership facilitator, A'ric Jackson, has developed the curriculum for the camp and their staff will be working closely with students as they explore six leadership modules.

Another reason that attending BLAST is different from the GASC convention is that students can register themselves and travel individually rather than as a school. Although your student's advisor may not be planning to attend the camp, we will have at least one senior counselor and one junior counselor for every 20 students. Senior counselors are current student council advisors at member schools of GASC and junior counselors are college students that are alumni of GASC. If you choose to allow your student to drive themselves to the camp, we will ask them to turn over their keys at registration.

To register for BLAST, visit [www.gasconline.net](http://www.gasconline.net) and follow these simple steps:

- 1) Complete the online registration form.
- 2) Print one copy of the online registration form to keep for your information and one to submit with your payment.
- 3) Submit your payment of \$325 and postmark by May 18<sup>th</sup> along with one of your copies of the online registration form.
- 4) By May 24<sup>th</sup> email confirmation packets, that will include insurance forms and a packing list, will be emailed to all delegates and their parents. All information and insurance forms must be postmarked by June 15<sup>th</sup> to attend BLAST.

Make all checks payable to GASC.  
Payment and forms can be mailed to:  
2910 Highpoint Rd  
Snellville, GA 30078

Please let me know if you have any additional questions. I can't wait to BLAST off this summer!

Yours,  
Holly Shih
