# What's the Focus

# Student Leaders:

- Campaign by being out in front or setting themselves apart.
- Are “put in front” as representatives of schools.
- Are independent, self directed
- Want to engage others but may not know how
- Need adults who will guide from the side

# Helping Students Shift

# Think about:

- How do student leaders include classmates?
- Why don't student leaders include classmates?
- Why do student leaders need classmate involvement?
- Why are other students uninvolved in activities?

# Out of the Room Activities

- The Missing Piece
- Zoom
- Others Shoes
- Missing from the Room
- Insanity or Chaos
- Big Rocks

# Our Reminders for Student Leaders
