

Powerful Presentations

Georgia Association of Student Councils Teacher Advisors Conference

Jenny Jordan,
September 18, 2016

THE UNIVERSITY OF GEORGIA
J.W. FANNING INSTITUTE
for Leadership Development

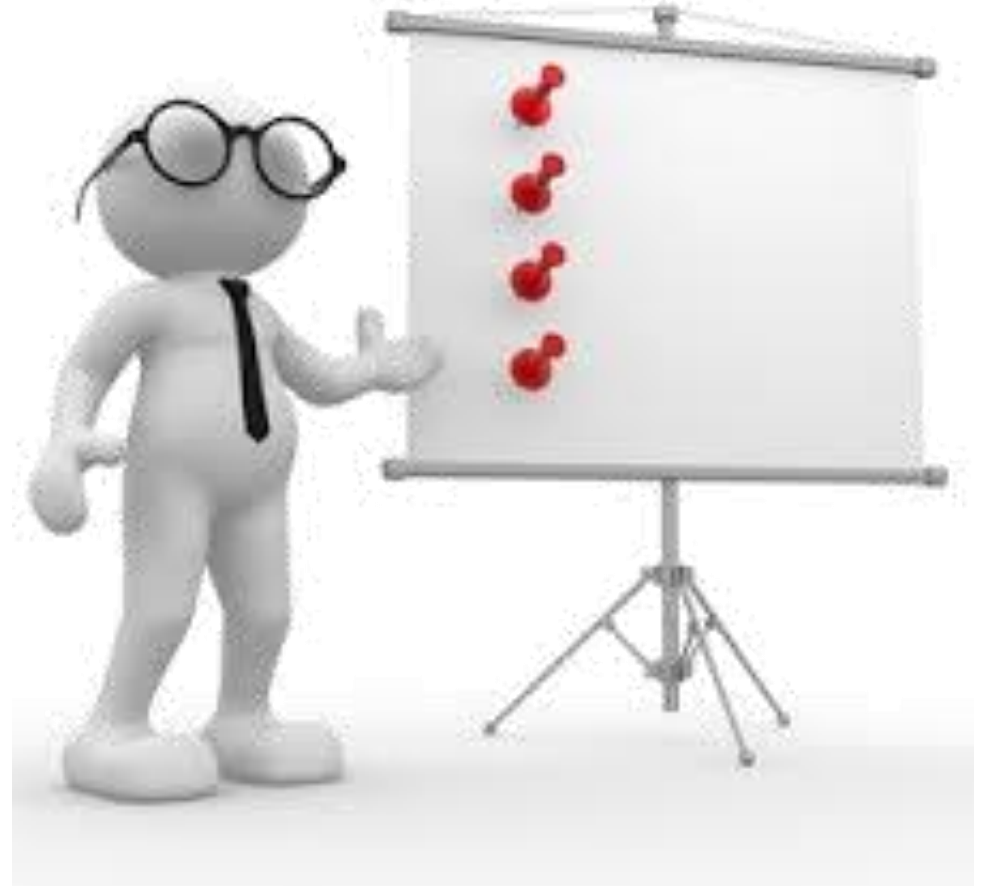

What is a presentation?

- Means of communication adapted to various situations
- Effective step-by-step preparation and the method and means of presenting the information to be considered
- Practice of showing and explaining the content of a topic

Student Leaders Need Opportunity for:

- Planned
- Spontaneous
- Formal
- Informal
- Peers
- Adults
- Stakeholders

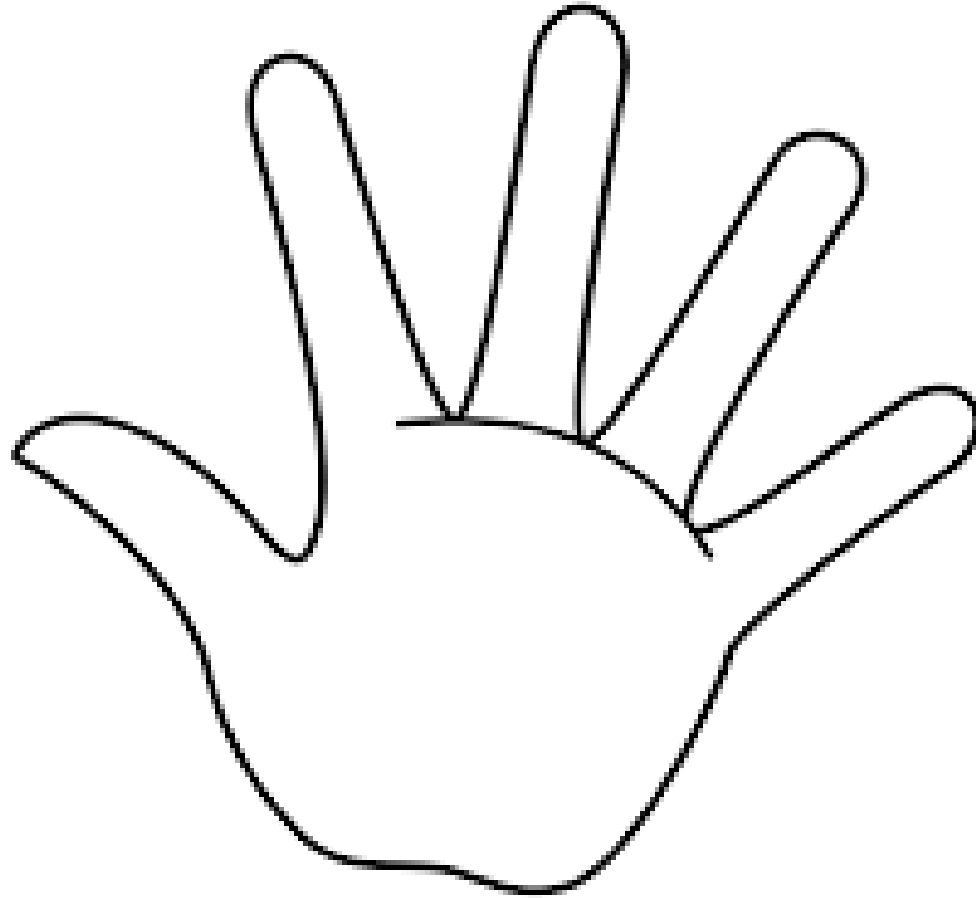

Anatomy of the Presentation

- Introduction
 - *Tell 'em what you're gonna tell 'em*
- Main Ideas
 - *Tell 'em*
- Conclusion
 - *Tell 'em whatcha' told 'em*

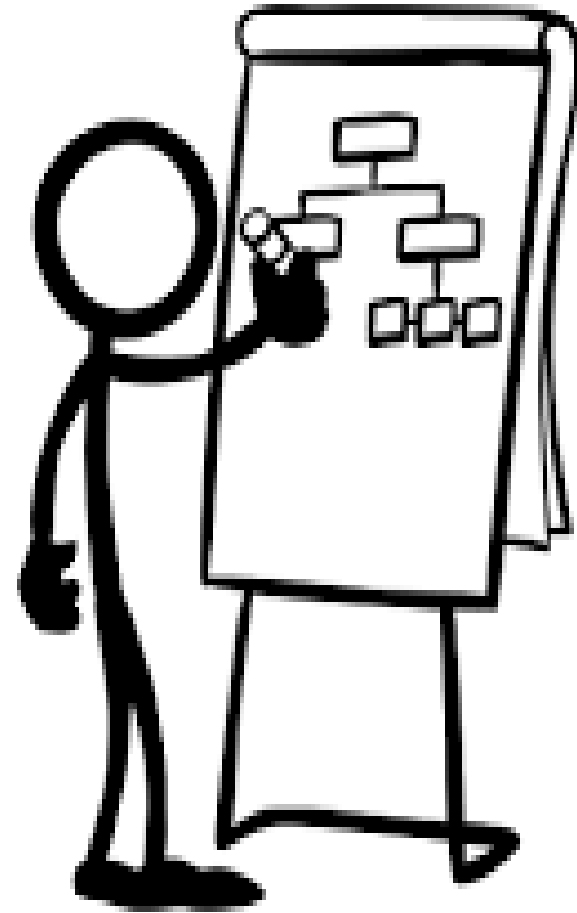

Give yourself a hand....

Making it Happen for You

- Be in the moment
 - *Concentrate in the now*
 - *Distract yourself*

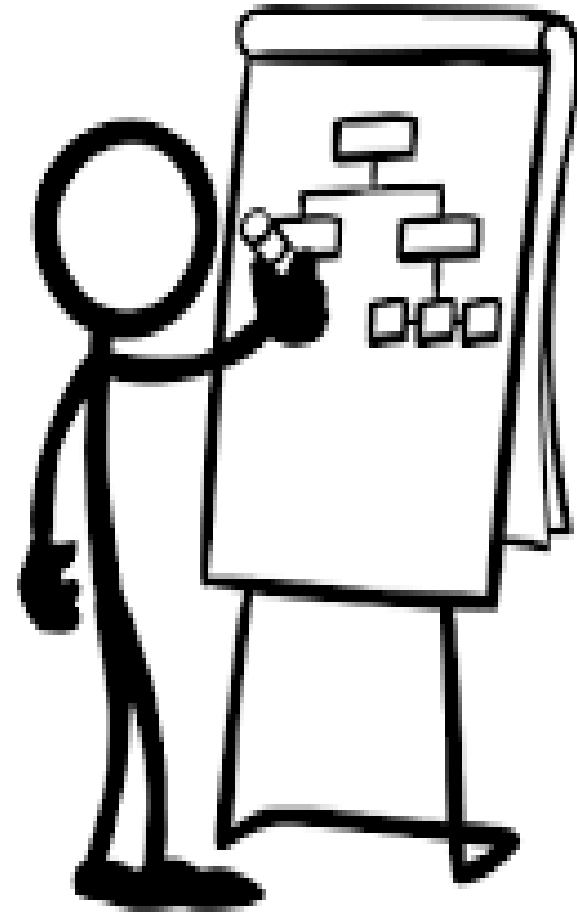

- I slit a sheet. A sheet I slit and on the slitted sheet I sit.
- How much ground could a ground hog ground if a ground hog could ground ground?
- Betty Botta bought some butter but she thought the butter bitter. So she bought some better butter to make the bitter batter better .

Making it Happen for You

- Be in the moment
 - *Concentrate in the now*
 - *Distract yourself*
- Get out of your own way
 - *Turn the brain off*
 - *Dare to be dull*

Look it's a

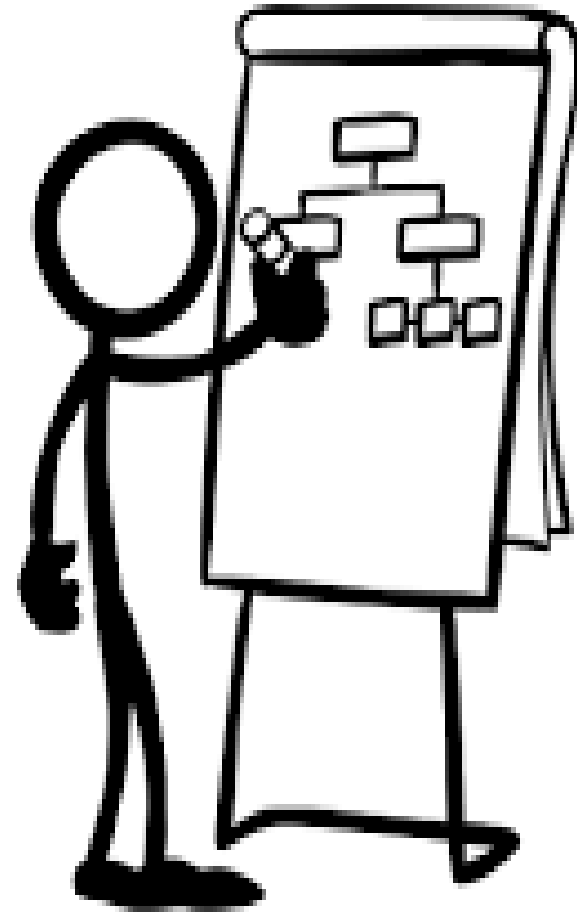

Monkey
