Financial Report: Laura Droms

- All GASC financials were sent out last night, January 8th, 2020.
- Although it has been a covid year, financially we are set for this year; however, next year is when it might be difficult.
- Saved lots of money on meetings, trips, and other events.
- Financially okay for next year, just need to be cautious.

For the 2021 convention meeting, the executive board modified the meeting structure to focus more on the logistics of the convention.

I. What needs to be done before the convention?

- Vice President

-

- President

- Filming the opening number today (1/9/20)
 - The theme of the skit is pokemon hunt that shows each member’s talents and interests.

- President school wants to have different spirit days for each day of the convention.
 - Instead of wearing different outfits, maybe have them change backgrounds instead??
 - For those who do not have a device that is background compatible, there will still be other options.
 - Possible virtual convention checklist? Ie. virtual background, spirit merch etc.
 - The idea to dress up and present the awards in the style of the Oscars
